I am a student at the WSB Universities, majoring in Computer Science. I decided to choose this major because of the desire to develop and deepen my knowledge of programming. My goal is to learn as much as possible from various ways. At the moment, the most important thing for me is self-development, education and enhancement knowledge of front-end technologies, especially TypeScript, JavaScript and ReactJS.

Experience

2023-01-02 – 2023-02-28 (CURRENT)

Junior Cybersecurity Consultant (internship) / EY GDS

- Learning about cloud cybersecurity,
- Expanding cloud knowledge (AZURE, GCP),
- Expanding cybersecurity knowledge.

2022-10-01 – 2022-12-31

Junior credit analyst / ArchiDoc

- ING Bank project,
- Analyzing Bank documents,
- Assignment of receivables extension.

2022-05-16 – 2022-08-12

Front-end Developer (internship) / Arris Agency

- Developing HTML with SCSS layouts,
- Developing simple JavaScript functionalities,
- Assisting my mentor with tasks.

2018-05-01 – 2022-08-12

E-bike retailer / Bicycle showroom Activa

- Purchase advice,
- Preparation offers for Customers,
- Post-purchase support,
- Maintaining order in the exhibition.

Education

2020-03 – 2023-06 (ONGOING)

Computer Science / WSB Universities

- Engineering studies (part-time)
- Specialisation: **PROGRAMMING**
- Title after graduation: **ENGINEER**

Skills

- Basic knowledge: Next.js, React Native, Firebase, TypeScript, Node.js (Express), MongoDB, Git
- Good knowledge: HTML, CSS (SCSS, BEM), JavaScript, ReactJS,
- Polish – native, fluent,
- English – B2.

What I offer as an employee:

- Communication skills, self-discipline and accuracy in carrying out assigned tasks,
- Willingness to further develop, participate in training and expand programming knowledge,
- Ability to listen and learn quickly,
- Ability to work as part of a team, as well as very good working by myself.

What I expect as an employee:

- Opportunities to participate in a variety of projects,
- Opportunities for continuous development in the area of programming,
- Opportunities to learn from qualified staff,
- Possibility to use theoretical knowledge into practice.
